**Approval of Minutes**
*In a motion made by Susan, seconded by John, the Library Board of Trustees voted to approve the Minutes of November.*

*In a motion made by Chris, seconded by Trudi the Library Board of Trustees voted to approve the Minutes of December.*

**Citizens Speak**
John was notified that the flag in front of the Library is not illuminated by a Cub Scout. Trudi stated the flag indeed, was supposed to be lit up. Chris went outside to verify the flag was not lit up. Margaret is going to look into requesting funds to get a spotlight and reach out to get estimates of cost. John will report back to Cub Scout to let him know the Library Trustees are looking into it. John questioned whether they could utilize the cub scouts to assist in this project. John suggested it would be a good project including research and raising funds. The Cub Scouts previously completed a project with a light at a church downtown previously.

Susan overheard a woman noticing the statement on the receipt regarding the savings. The receipts now show the money saved by visiting the library, as opposed to purchasing the books.
New Business

Margaret is meeting with Michael on Tuesday to review the FY 2021 Budget. Margaret is requesting funds to be 16% of total budget available, to buy materials for the Library. The budget is currently a little over 400,000.

Status of Children’s Librarian – Beginning February 24th. Accepted position. Reference Librarian from Milford. She lives in Holliston.

Old Business

Conflict of Interest Training- Susan reminded members this is due.

Review Incident Reports
None to report.

Budget Report

Margaret distributed the Budget Report via email.

Sierra, new software for checking out books. Not charging fines for children and YA. Network wide, automatic renewals. Notifies recipient of renewal / non-renewal (if book is on hold) If it is in your library but on hold, you can normally renew. IF there is a hold anywhere it will not allow a renewal. After 2 renewals, you cannot renew. This will benefit patrons, as they will not have to worry about renewing. This process will also reduce the number of fines. Potentially more changes to come with private equity firm purchasing Sierra.

Director’s Report

Margaret distributed the Director’s Report via email.

A volunteer who teaches STEAM with Diane, husband is an animator, his company is donating a workstation. Workstation is worth $1,500.

Last year, about $70,000 was spent on purchasing books.

Margaret stated we should think about getting a new 3D printer, in addition to the current one. Raise Warrant Article – Increase the CAP on accumulated revenue. Margaret and Trustees want to be able to put more printer related things into the Maker’s Space. They are hoping to raise this cap to 5,000. Margaret stated this will give flexibility in terms of the Makers Space. Technology is developing.

Director’s Review

Put on Agenda for next month. Chris has the form and will be sending to committee members. Discuss Questions/Wording in February.

Margaret will not be here for February meeting.
In a motion made by Trudi, seconded by Lisa Sheehan the Library Board of Trustees voted to adjourn at 7:47 PM.

**Next Meeting:** February 4, 2020

Respectfully submitted,

Katherine Mitchell, Recording Secretary
